The diagram consists of two horizontal black lines. The upper line is positioned above the lower line. Both lines extend from the left edge of the frame towards the right. On the right side of the upper line, there are two short vertical black lines, one near the center and one further to the right. On the right side of the lower line, there are three short vertical black lines, one near the center and two further to the right. The two lines meet at a single point on their leftmost ends.
